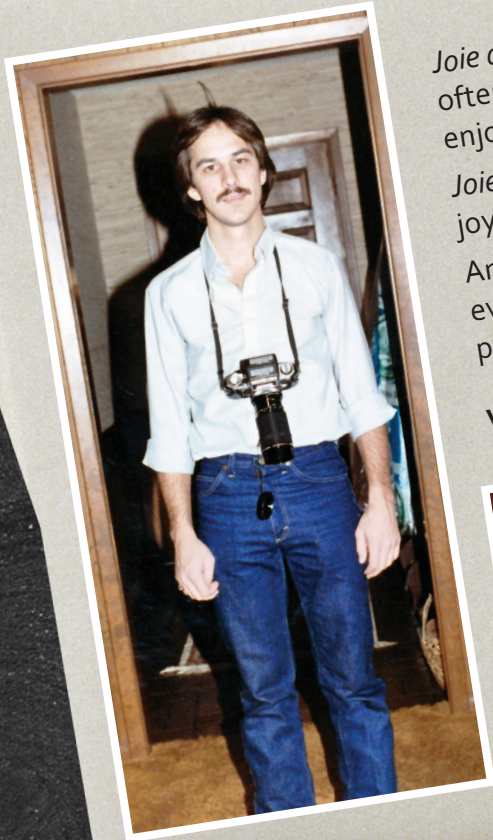
Le Joie de ~~Vivre~~ Ron

6 Octobre 2012
Numéro 50



Joie de vivre, joy of living, is a French phrase often used in English to express a cheerful enjoyment of life; an exultation of spirit.

Joie de vivre "can be a joy of conversation, joy of eating, joy of anything one might do…

And *joie de vivre* may be seen as a joy of everything, a comprehensive joy, a philosophy of life."

What better phrase is there to describe Ron?
